WELCOME ADDRESS

Dear Members,
Dear Friends,

On behalf of the Executive Board of the "South East European Society of Perinatal Medicine" (SEESPM), I welcome you to the **First Webinar of our society**. This form of communication has known extensive use since the pandemic appeared and abolished personal contact in congresses. Nevertheless, it is an opportunity to meet and exchange scientific views at least once a year, between our biannual congress and hope to continue so in the future.

The topic of the webinar is: "**Covid 19 in Pregnancy. Dos & don'ts**".

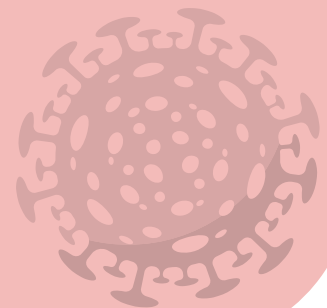

I am very pleased and proud for the universal participation from all the country members in the Scientific Program.

The webinar will take place on **Saturday 12th of June at 10:00-15:00 CET** and is free of charge.

Looking forward to seeing all of you on the Web.

Kind regards,

Nikolas Papantoniou
President of SEESPM
